BIKEABILITY LEVEL 1 FOR YEAR 4

Dear Parents and Carers

After the half-term, the 'Bikeability' Level 1 course will be running for Year 4 children. The course is organised and run by instructors from Surrey County Council and will take place on the playground for a half day session. The children will learn a range of skills, including safe cycling, pedalling and stopping and manoeuvring with control. The course also lays the foundations for the Year 6 Level 2 on-road course.

The half day course will take place during the mornings of 29 June until 2 July 2021 and your child will participate in one of them.

To take part, your child will need their own helmet and a safe roadworthy bicycle which the instructors will check.

Cost of course: £9 per child
£4 if your child is currently in receipt of free school meals

Adjustments have been made because of COVID such as the instructors socially distancing from the children and each other, use of PPE and the groups will be limited to no more than 10.

Please find attached information from Surrey County Council and refer to the Bikeability Level 1 checklist which lists the pre-requisites for attending the course. Please note that the course is suitable for those who have just learned to ride a bicycle and no longer use stabilisers. It is not suitable for those who have not yet learned to ride a bike.

If you would like your child to take part, please complete the attached consent form and return it to the School Office and pay for this activity online using SCOPAY by **Thursday 27th May**. Places are limited so please respond as soon as possible if you would like a place for your child. After the closing deadline, we will send home further information and consent forms. We very much hope your child is able to take part and look forward to the course. We know that from previous years the children thoroughly enjoy the experience and gain a great deal from it.

Yours sincerely,

Mrs Freeman
Academy Head
